

How to Care for Your Flannel

Congratulations on your new OAKWORKS® purchase. We do not pre-wash our flannel. Therefore, we recommend pre-washing your flannel product(s) before using.

Here are a few suggestions in caring for your flannel:

- Machine wash warm with like colors.
- Wash using mild detergent. Do not use bleach.
- Flannel is susceptible to snagging. This is especially true if the products come in contact with, or are laundered with any items using Velcro®.
- Tumble dry on low setting. Remove promptly.
