

Clodagh by OAKWORKS®

The Clodagh by OAKWORKS® is the most sophisticated spa table available today, an obvious choice for high-end luxury spas. This table combines uncommon elegance with OAKWORKS®' renowned strength, versatility, and durability. The rich, custom designed cabinetry features enough space for a hot towel cabinet and other accoutrement, as well as four electrical outlets for an efficient use of space. The fully electric top incorporates our famously comfortable Aero • Cel™ padding and butter-soft UltraTouch™ upholstery to create the most relaxing, luxurious experience for your clients.

COMPLETELY ELECTRIC TOP with adjustments at back and knee sections supports every kind of body and esthetic work. Full-featured electrical system provides more reliable performance than hydraulics, with no chance of leaking fluids or malfunctions that cause the table to come out of level.

OAKWORKS®' PROPRIETARY AERO•CEL™ PADDING is the most comfortable available and provides 4" of resilient support that is easy on practitioners' hands. **WHISPER QUIET MOTORS** easily control the height of the base. The Clodagh Signature Series feature built-in strength of an integrated structural steel frame for superior durability over-time. Bariatric rated 625 lbs. maximum working load ensures safety and secure relaxation for every client. UL, the independent testing agency that provides our safety ratings, is presently reviewing this product.
