Details

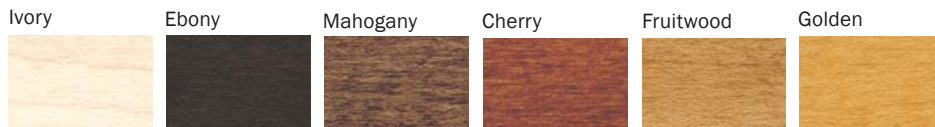

Description

Versatile and compact, the Oakworks trolley features SPACE FOR AN 18 QT HOT STONE WARMER in the top compartment with easy access, PULL OUT DRAWER and LOWER WORK SURFACE, and LOWER STORAGE AREA with adjustable shelf that can also FIT A FULL SIZED HOT TOWEL WARMER (Tajji 12). A BUILT IN POWER STRIP and casters insures the ultimate in convenience and mobility.

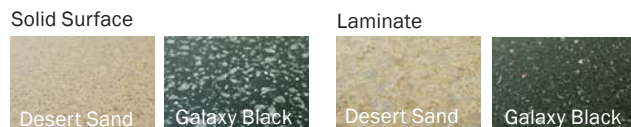

Two top options are available; a solid surface top for the ultimate in sophistication and a lower priced laminate top, both are available in Galaxy Black or Desert Sand, and custom colors are available for orders over 8.

The maple veneered and wood solids trolley is offered in Oakworks wood stain colors and natural at no additional charge. Customer matched stain is available at additional cost.
